

# PROJECT MANAGEMENT & LEADERSHIP

## CREDIT COLLEGE

Led a team of four instructional designers in partnering with L&D peers and business stakeholders to bring in a portfolio of over 60 vendor curricula, create supporting company-specific content, and incorporate them into the LMS.

## CUSTOMER INTERACTION PROGRAM

Led a team of five instructional designers in bringing over 30 vendor-created learning experiences in house, customizing them for a specific business line, and creating seven new learning experiences .

30+

6

## IT SOFTWARE TRAINING

Led a team of six designers and managed timelines in a rapid development and deployment effort to create five eLearning courses with four embedded training simulations.

## LEADERSHIP DEVELOPMENT PROGRAM

Led three contract and in-house instructional designers in developing a program that I designed for a yearlong midlevel leader development program.

## CROSS-FUNCTIONAL PROJECT TEAMS

Experienced in leading cross-functional teams of L&D peers, subject matter experts, business stakeholders, and IT professionals in implementing new systems and software.
